

Bethlehem Continues On-site and

Video Worship Options

During July

**I was glad when they said to me,
“Let us go to the house of the LORD!”**

Psalm 122:1

The **Board of Elders** has determined that Bethlehem will continue with on-site worship using proper precautions on Sundays, during the month of July. Please see below or check the church web-site for the guidelines of our building reopening. There will be live streaming or video recording if you are unable to attend worship, we will continue to have a recording of a service on the church Website @ Bethlehemsaginaw.org

Our two worship services each Sunday will continue to be identical. The Board of Elders recognizes that many people have a preference for the style of worship but ask your patience as we work through this pandemic together. Please bear with us and be adaptable as we walk together as one family at Bethlehem. When it is possible, we will return to our pre-pandemic worship styles. During the summer months if you have an activity planned you can attend at 9 am, or if you want to sleep in a little you may attend at 10:30 am. This provides a perfect opportunity for you to interact with a portion of the congregation you do not always see.

Bethlehem will continue to follow the recommendations of the CDC, our government, and Michigan District LC-MS leadership. Remember that all the precautions listed are not just for your safety but for the comfort and safety of all those attending. We continue to love our neighbor and show honor and respect to those in authority.

The Elders remind you that if you are in high risk category, are sick, are running a temperature, have difficulty breathing or have been in contact with someone having the coronavirus with-in the past 14 days please stay home and stay safe for yourself and others safety.
